

WiSACWIS Release 3.5.2 Notes

CPS Reports

4725	Report name not appearing	The problem with Case Report Name not prefilling when linking an intake to a case or creating a case has been fixed. The Report Name will now consistently prefill on cases.
------	---------------------------	--

Document Plans

4730	Perm plan forming	The Perm Plan will no longer erroneously pre-fill into the header from the question "Are there any anticipated placement changes?".
------	-------------------	---

Maintain Case

4125	Adding collateral requires primary address	When adding collaterals, a primary residence is no longer required.
------	--	---
